Proposal 2003-1185

Dear President Greenwald:

I write in response to Provost Lerman's letter dated September 19, 2003, and received September 22, 2003, requesting registration of a Master of Public Administration (MPA) degree program in Emergency and Disaster Management to be offered by Metropolitan College of New York.

I am pleased to inform you that on the basis of our review, the program detailed on the attached listing from the Inventory of Registered Programs is registered for general purposes under Subchapter A of the Regulations of the Commissioner of Education (Chapter II of Title 8 of the Official Compilation of Codes, Rules and Regulations of the State of New York) until September 1, 2004. After that date, registration will be extended annually until the Department's next review is conducted.

New registration is required for any existing curriculum in which major changes are made that affect its title, focus, design, requirements for completion, or mode of delivery. Therefore, I ask that you contact this office prior to initiating a significant change in this program.

We wish you and your colleagues success with the program.

Sincerely,

Barbara D. Meinert
Coordinator
